FCC Form 398

March 2006

Statement of Explanation
Exhibit to FCC Form 398, Question 11
2007 – Quarter 2

Licensee does not broadcast free over-the-air digital video programming on any digital stream other than its main program stream. For that reason, the appropriate response to Question 11 would be "N/A" as that question pertains only to free programming provided on other than a main program stream. On the advice of commission Staff, in order to successfully file its 398, licensee is responding to Question 11 "No" and attaching this exhibit to explain that Question 11 is not applicable to licensee.

Statement of Explanation
Exhibit to FCC Form 398, Question 11
2007 - Quarter 2

For the weekend of April 28-29, 2007, the CBS Television Network pre-empted Madeline, Sabrina, Trolls, Cake and Dance Revolution in order to schedule five additional episodes of Horseland, in order to increase children's awareness of this educational and informational children's program. Consequently, on April 28 at 7am, 7:30am, and 8am, and April 29 at 7am & 7:30am, WTHI pre-empted Madeline, Sabrina, Trolls, Cake and Dance revolution and broadcast five additional episodes of Horseland in their time periods. In February, 2002, CBS received an informal opinion from FCC staff that the pre-emption of regularly scheduled E/I programs in circumstances like these would not present a problem both because the rules anticipate some pre-emptions and because the pre-emptions are for other E/I programming.

Statement of Explanation

2007 – Quarter 2

Licensee does not broadcast free over-the-air digital video programming on any digital stream other than its main program stream. For that reason, the appropriate response to Question 11 would be “N/A” as that question pertains only to free programming provided on other than a main program stream. On the advice of commission Staff, in order to successfully file its 398, licensee is responding to Question 11 “No” and attaching this exhibit to explain that Question 11 is not applicable to licensee.

Statement of Explanation
Exhibit to FCC Form 398, Question 11
2007 - Quarter 2

For the weekend of April 28-29, 2007, the CBS Television Network pre-empted Madeline, Sabrina, Trolls, Cake and Dance Revolution in order to schedule five additional episodes of Horseland, in order to increase children's awareness of this educational and informational children's program. Consequently, on April 28 at 7am, 7:30am, and 8am, and April 29 at 7am & 7:30am, WTHI pre-empted Madeline, Sabrina, Trolls, Cake and Dance Revolution and broadcast five additional episodes of Horseland in their time periods. In February, 2002, CBS received an informal opinion from FCC staff that the pre-emption of regularly scheduled E/I programs in circumstances like these would not present a problem both because the rules anticipate some pre-emptions and because the pre-emptions are for other E/I programming.
